INTERGLOBE
FOUNDATION

FOUNDATION

InterGlobe Foundation

Making a difference from the ground up

InterGlobe Foundation is committed to building a society that is **just, equitable and inclusive, utilizing resources in a sustainable** manner. We work towards building partnerships and supporting initiatives that bring together resources, expertise and vision in the areas of **Preserving Heritage and Culture, Promoting Livelihoods and Protecting the Environment.**

Preservation of Culture and Heritage

The restoration of the tomb of Abdul Rahim Khan-i-Khannan is the first ever corporate sponsorship of conservation at any of India's national monuments. The project initiated in 2014 enables the Archaeological Survey of India and the Aga Khan Trust for Culture to plan the required conservation effort and ensure long term preservation of this significant and prominently located structure.

Projects and Partnerships

PROTECTION OF THE ENVIRONMENT

We believe that a safe, healthy and resource-rich environment is a necessity and also our responsibility. That's why our work at InterGlobe Foundation has a strong emphasis on environmental sustainability. Here, we focus on three key areas: **reduction of carbon footprint, afforestation and management & minimisation of waste.**

Over the years, we have partnered with several organisations to conserve the environment and minimise its degradation with the hope that present and future generations will continue to revel in nature's boundless beauty.

LIVELIHOOD PROMOTION

Since 2015, InterGlobe Foundation (IGF) has been supporting endeavours that improve livelihood opportunities among marginalized communities with a special focus on women and youth. Our approach includes both, strengthening traditional occupations like agriculture or tailoring as well as introducing new occupations through programmes that are delivered in partnership with various organisations. Some current projects are:-

- **GramJyothi** - A women's livelihood project in Kurnool, Andhra Pradesh in collaboration with OMPLIS.
- **Pragati** - This project in collaboration with Dhritii, a Delhi based NGO, is aimed at improving the employability of women in rural Kamrup Assam.
- **Saksham** - Skill development programme to skill underprivileged youth to enhance their employability
