

INTERGLOBE ENTERPRISES MEDIA ANNOUNCEMENT

NEW DELHI, India, January 22, 2024: InterGlobe Enterprises announces the appointment of Mr. Aditya Pande as its Group Chief Executive Officer, with effect from 01 March 2024.

With the exception of IndiGo, Aditya will have overall responsibility for setting InterGlobe's strategic agenda and to oversee and continue to strengthen the Leadership of the Company's line businesses and the Corporate staff functions.

Aditya will report to Rahul Bhatia, and all the existing direct reports would, in turn, report to Aditya.

This imperative move by InterGlobe is to strengthen its current Leadership team as it moves ahead with its ambitious and diversified global plans.

Aditya is a senior professional with diverse and multi-functional experience of over 25 years. He has held Business Strategy and Finance roles in various companies, driving operations with a focus on productivity & profitability. He is currently the Chief Financial Officer at udaan, India's largest B2B e-commerce company. Prior to this, he worked at IndiGo, General Electric, and Arthur Andersen. Aditya brings with him rich experience of engaging with business partners, investors, and analysts.
