

InterGlobe Air Transport Recognised as 'GSA of the Year' at SATTE India 2026

National, 03 March 2026: InterGlobe Air Transport, India's leading airline and travel management company and a premier General Sales Agent (GSA), has been honoured with the prestigious “**GSA of the Year**” award at the South Asia's Travel & Tourism Exchange (SATTE) 2026. The award was presented at a ceremony in New Delhi, recognizing InterGlobe Air Transport's excellence and its long-standing contribution in the aviation and travel industry.

With a proven track record of representing some of the world's leading aviation and travel brands, this accolade further strengthens InterGlobe Air Transport position as the most trusted and established GSA in India. It reinforces its commitment to deliver operational excellence, innovation, and strategic growth for its partners and customers.

Mr. JB Singh, Director, InterGlobe Air Transport, said, *“We are incredibly honoured to receive this recognition. This award is a testament to the commitment and dedication of the entire InterGlobe Air Transport team who are committed to delivering exceptional value to our partners and customers. For nearly four decades, we have combined deep market insight with operational excellence, and this accolade further solidifies our role as a trusted partner, dedicated to creating long-term growth for the world's leading airline and travel brands in India.”*

InterGlobe Air Transport currently represents a distinguished portfolio of global airlines and travel partners and with nearly four decades of domain expertise, the company delivers an expansive suite of end-to-end solutions across passenger and cargo services, hotel bookings and car rentals. Across these crucial partnerships, it plays a critical role in driving commercial growth, market penetration, and brand visibility in India. The company provides specialized support in sales and distribution, revenue management, and regulatory coordination, as well as trade marketing, digital engagement, and commercial planning and optimization.
